

WEDDING INFORMATION

Ixora Floral Studio is more than a florist that just provides pretty flowers for your special day. The first step in our creative process involves a comprehensive consultation with our expert wedding consultant. We will listen to your ideas, offer opinions and suggestions and explore the many design options that are available to you in order create a romantic, funky, fresh or even modern event. We can help design and produce a captivating event with many distinctive touches that will make the wedding a perfectly unique and memorable day - a soirée that your friends and family will talk about for years to come.

To complete the ultimate wedding and to assist in realizing the overall vision, including all your own personal touches and details, Ixora offers many special services in addition to our exquisite floral design.
